Dear Zhaklin Darvishzadeh:

We are pleased to inform you that The Port Authority of NY & NJ has re-evaluated your business and determined that it continues to be eligible to participate in the agency's Women-owned Business Enterprise (WBE) Program. **Atlas Environmental Lab d/b/a Atlas Environmental Lab, Corp.** remains in the Port Authority's on-line directory of certified WBEs which can be accessed at:
<https://panynj.diversitysoftware.com/FrontEnd/SearchCertifiedDirectory>.

Please be advised that we periodically review all certifications and reserve the right to decertify any firm that no longer meets our guidelines. You must notify the Office of Diversity, Equity & Inclusion and Civil Rights in writing within 30 days of any significant changes to your business. These include, but are not limited to, a change of officers, directors, location and business name. Failure to advise us of these changes can result in decertification of your business.

This certification will remain in effect for five years or until September 11, 2028, after which you must submit a new WBE recertification application with supporting documentation. The application can be accessed from our Web site:
www.panynjSD.com

If you have any questions regarding your certification, you may contact me at (201) 395-3939 or via email at ceglass@panynj.gov.

Sincerely,

Clinton Glass
